

NDIA APG Annual Sponsorship Program

The Aberdeen Proving Ground (APG) Chapter of the National Defense Industrial Association, a 501(c)(3) organization, has a long history and very strong ties to APG and its surrounding community. The APG NDIA chapter was established in 1944 as the Army Ordnance Association. Over the past 95 years the association has adjusted to accommodate the changing nature of APG and its tenant organizations. Since the BRAC in 2005, and Fort Monmouth tenants move to APG, the NDIA has been in the process of working to incorporate the Acquisition, C4ISR and Cybersecurity nature of the new tenants' missions into the Chapter's value proposition. The Chapter is in the process of refining its plans for support to APG – both North and South; and surrounding communities to facilitate networking between government and industry officials across the Defense Industrial base including the acquisition, requirements, test and evaluation, and contracting communities across the C4ISR and Cybersecurity, Test and Evaluation, Chem-Bio Defense and Medical Support disciplines. A major focus of the APG NDIA chapter will be to provide much needed support to educational, scholarship and STEM related activities.

The Chapter will hold integrated panels of interest to its members and the surrounding community, support STEM related activities, provide scholarship opportunities to deserving students, and generate a quarterly newsletter that serves to increase awareness of critical issues affecting industry/government collaboration and opportunities.

To grow and continue the efforts outlined above, we need your support. Without your participation we will not be able to continue to provide the networking, scholarship, and community outreach that we provide today.

We have created a Sponsorship Program with three levels: Gold, Silver and Bronze. Each sponsorship level provides the following benefits:

- Up to five seats at Chapter luncheons and panels.
- Announcement of your Sponsorship through our various media platforms.
- Recognition at chapter events throughout the year.
- Special Logo recognition on our Aberdeen Proving Ground NDIA Chapter website.
- Your support listed on all Chapter event emails which are broadcast to the entire APG NDIA membership each year.

Sponsorship Sponsor Levels Include:

GOLD ----- \$1,000, provides 5 seats as outlined above

SILVER ----- \$500, provides 2 seats as outlined above

BRONZE --- \$250, provides 1 seat as outlined above

It should be noted that lesser donation amounts are always welcome and all will be recognized at the annual Scholarship Awards dinner.
